Change initiative

A core part of the ITP are the change initiatives. Each participating organisation shall identify a problem that it wishes to address within its current mandate and priorities. Please provide a maximum of 3 pages.

Title of change initiative:

Name of applying organisation:

Name of applicant(s):

Name and organisation of co-applicant (for joint change initiatives)

Problem/challenge statement(s)

Describe the problem or challenge, and its causes, your organisation has identified and that you would like to solve through the change initiative?

Intended change/results

Which behaviours and/or institutional capacity will have changed because of your change initiative?

Coordination/Cooperation partner organisations

Which organisations and/or stakeholders will be important for the implementation of your change initiative

Why is the change initiative a priority for your organisation? *Describe how the change initiative is integrated in your organisations priorities*
